

HSEQ GOALS TROSVIK GROUP

We apply systematic approach to HSEQ management via international recognized standards. **Zero philosophy!**

We work systematically to improve our HSE standards and practice through preventive work, by reporting and monitoring of a handful of valuable objectives.

We put customer satisfaction first. Our company's quality system is designed to ensure continuous improvement in all areas.

We believe that all injuries and accidents can be avoided and that safety is everyone's business.

We shall deliver products and services at the right time, with the right quality. Our zero defect philosophy ensures continuous improved product and service experience.
